ALAMO COLLEGES DISTRICT
St. Philip's College

SPC Campus
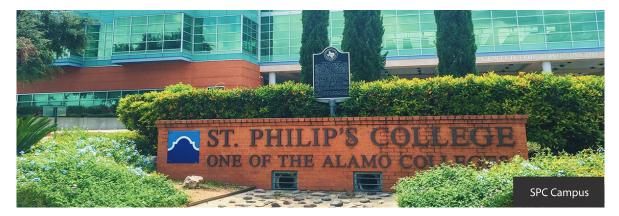

St. Philip's College, founded in 1898, is a comprehensive public community college whose mission is to empower our diverse student population through educational achievement and career readiness.

St. Philip's College offers an Associate of Applied Science in Information Technology Cybersecurity Specialist that prepares students to design, implement, and secure computer networks. Students with this degree will be able to install security software, monitor networks for security breaches, respond to cyber-attacks, and gather data and evidence to be used in prosecuting cybercrime.

Completion in this program prepares a student for industry certifications such as CompTIA Security+, Certified Security Professional (CSP), and Certified Ethical Hacker (CEH). St. Philip's College is designated by the National Security Agency and Department of Homeland Security as a National Center of Academic Excellence in Cyber Defense Two-Year Education. The designation covers academic years 2014 through 2020.

SPC Cyber Student

DESIGNATIONS

• **CAE – Cyber Defense 2-Year Education**
